Mr. William Casey
Central Intelligence Agency
Washington D.C., 20505

Dear Mr. Casey,

With so many movies about spies, most of which I think are totally fake. What's the spy life really like? If its pretty intresting, I might consider it a career. I was wondering though, do you really have splinter groups which want to take over in times of onarchy? I'm very anti Khomeni / Godaffi but anti-commie a little less so, in terms that I think the Russians deserve to live. Im mad after the Walker spy case. With Russian society, their police state can control it so bearacracy is less so. Could you answer my questions?

Stick it to 'em,
